Yes  
Tim Prendiville said no issue to continue work on Verona.  
I downloaded the files and will start to look through them with your *clear* set of questions in mind.

Talk to you soon.  
Dave

Hi Dave,

Have you heard back about the SQAB request? [Here is a link](#) to the 2020 annual monitoring report from the PRPs and the excel sheet with all the data.

Hi,

I don't think repeat customers need to but I will check with my boss to make sure things have not changed.

Hi Dave,

I was hoping to bring you back on as the geo/hydro support for Verona – do you know if I need to submit a SQAB request for this?

Thanks,
